

Training Opportunities

New for 2010 !

A Sure Start Children's Centre

Are you a parent with a child under 5?

As promised, your local Children's Centre is looking to provide new FREE courses over the next few months.

So far we may be able to provide the training as listed below. Please tick and complete the form and return to the Children's Centre. You can also ring us on 0121 556 5405 and speak to Elena or Annette.

We will be looking to provide the courses with the most interest!

We may also be able to offer training courses to parents with children under 16 years of age.

If you have other suggestions of courses and training you'd like to do, please fill in the blank box and return to the address below:

Childcare places will be available if required. Please ask.
